Dear Mr. Mirza

I am not exaggerating when I say that your letter has done a lot for me. I have now more faith in my own ability and I am restored to their normal.

Let me say, in all
heartfelt sincerity, that I prize
your letter as much for the ~~kindness~~
which prompted you to write it, as
for its spirit of fairness.

I shall continue
to devote my energies & thoughts to
the cause, unruffled by anything
I may chance to hear.

Yours sincerely

N. S. Puhalla
